**Exmoor  
Horn Wool™**

Exmoor Horn sheep are native to the upland areas of Devon and West Somerset, and have lived there for over 2,000 years.

They produce lovely, robust, hard-wearing wool, naturally creamy, or dyed in the colours of the landscape whence it came.

Cool hand wash recommended, using non-bio, wool-friendly detergent.

70% Exmoor Horn wool  
30% Exmoor Mule wool
